No time to help? Donations accepted!

We know that you may not have the time, (or the inclination!), to attend meetings and join committees, but that you still want to support the prevention efforts of our council. By offering your financial support to our council, you will help us to continue to provide our free prevention education and training programs.

Annual Supporting Membership opportunities are available at the following levels:

- \$100—Bronze
- \$250—Silver
- \$500—Gold
- \$1000—Platinum

All Supporting Members will receive a framed certificate to display recognizing their commitment to help prevent child abuse and neglect in our community, and will be acknowledged on our website and at events throughout the year.
