It only takes a minute...to make a difference in the life of a child.

Ways to Show Love for Children Every Day

Show your love by taking a moment to say "I love you." Show you care with a hug or smile. Every minute invested in a child's life is time well spent.

Nurture	Protect	Praise
Nurturing environments are characterized by loving actions and loving words. The responsibility of putting these goals into practice starts with each one of us.	There is good reason for the old saying, "safety first." Kids need safe and secure homes where accidents and injuries are the exception, not the rule.	Praise motivates a child and builds their self esteem. "Good job!" "Let's talk." "Need some help?" "Sure I have time." "I love you." All of these can help brighten a child's day.

Small things can make a big difference in the life of a child.

Community Events

Amadoropoly is back February 27, 2009 at the Sutter Creek Auditorium. This is the life-size Monopoly game that benefits over 20 local charities, and this year it only costs \$10 to play. Please contact Robin if you would like tickets to this FUNdraiser and come visit us on Indiana Avenue.

We will also be at the Jackson Rancheria Casino & Hotel's Employee Health and Wellness Fair on February 24, 2009, and at the Resource Fair for Service Providers on March 12, 2009 at the Health & Human Resources building. Please call 257-5303 for more information about the Resource Fair.
