January 2011

2010 was a busy year!

One of our council members once commented, "We get a lot of bang for our buck," and when you look back at our activities for 2010 we hope you will agree.

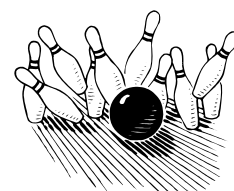

Over 1,000 community members benefitted from our free workshops:

- ♥ Eight Child Abuse & Neglect Mandated Reporter Trainings with a total of 104 attendees, plus over 200 school faculty and staff were presented information.
- ♥ 22 Shaken Baby Syndrome Prevention workshops that reached a total of 595 including all students in freshmen health classes at Amador and Argonaut high schools.
- ♥ 11 Digital Safety / Cyber Bullying Prevention workshops for 268 students and parents.
- ♥ 12 Stranger Awareness presentations for 104 children and their parents/guardians since the program was started in July.

Other 2010 activities included:

- ♥ Held our 2nd Bowl-a-Thon fundraiser with over 120 participants that raised over \$13,000.
- ♥ Bowl-a-Thon participants also donated 194 pounds of "kid-friendly" food to the Inter Faith Food Bank.
- ♥ Co-sponsored the 12th Annual Celebrate Our Children event as part of April's National Child Abuse Prevention Month activities.
- ♥ Hosted the April meeting of the Sierra-Sacramento Child Abuse Prevention Councils Regional Coalition.
- ♥ Participated in the 9th Annual First 5 Children's Holiday Festival.

We accomplished all of this with a volunteer council of community partners, one, part-time staff, and a whole lot of community support.

Save the Date for our 3rd Annual Bowl-a-Thon

We couldn't do all the things listed above without the funds raised through our annual Bowl-a-Thon.

Please join us by:

1. Forming a five-person team and collecting a minimum of \$250 per team in donations. All bowlers get free pizza, soda, and a chance to win some great prizes!

2. Donating a raffle prize or silent auction item.
3. Becoming an event sponsor: \$50, \$100, \$250, \$500, or \$1,000 levels.

Some even do all three!

Please contact Robin (223-5921 or email info@amadorcapc.org) to reserve your team lane now, or visit our website, www.amadorcapc.org, for more information.
